Welcome.

At ASL we take great pride in our past accomplishments while keeping a keen eye on the future of how America is illuminated. We have not forgotten you, our loyal customers, and dedicated reps for the confidence that you have placed in us over the past thirty-six years. The release of this new catalog is dedicated to all of you who have contributed to our growth. Thank you for giving us the opportunity to be of service.

ASL has become an established technology leader in the design and fabrication of quality lighting. The standard of excellence that we have set for ourselves has fueled our growth and has become a hallmark of our product line. In an age where environmental concerns are rising, ASL has taken a front-line position in the fight to protect our environment. Our nationwide system of distribution is supported by an experienced network of reputable sales agencies. They provide expert assistance and guidance to our growing list of valued customers, helping them to expeditiously fill their lighting requirements.

As you browse through this new and comprehensive catalog, please keep in mind that you are examining the largest selection of energy efficient lighting fixtures in the industry. Whether you are looking for decorative, utility, vanity, sconces, or security lighting in both traditional and contemporary styles, you will find them here. ASL lighting fixtures are presently being used in universities, hospitals, hotels, military installations, government buildings, commercial, industrial, and institutional facilities of every type as well as multi-family projects throughout Northern America.

Our customers have come to know and love the quality and dependability of our products assembled right here in the USA, as well as the expertise of our skilled service department. ASL is a proud partner of the Environmental Protection Agencies Energy Star Program and many of our fixtures meet ADA requirements.

Browse our selection and find out for yourself why ASL has become the preferred choice of lighting designers, energy professionals, distributors, and lighting wholesalers throughout the USA.

Sincerely,
The ASL Team

SCONCE COLLECTION

ASL is proud to feature the largest variety of decorative LED sconces. Many comply with ADA requirements. They are offered in contemporary distinctive contoured patterns with slide off faceplates, banded designs, sleek accents, slim verticals, traditional glass shapes, classic alabaster, trim extrusions and metallic forms. A variety of pleasing materials are used to project a soft warm light, which will aesthetically enhance any indoor environment.

ALL-WEATHER POLYCARBONATE CEILING / WALL COMPANIONS

These companion selections feature clear prismatic or white polycarbonate lenses and specular black or white bases. Form follows function in these European-style luminescent basics that are snap-tight, UL wet-location listed, moisture and bug-proof, meet ADA specifications and virtually non-corrosive.

GENERAL OPTIONS

Before creating a model number with options, please note:

The specifications described for each style in this catalog represents the fixture's **standard** features and the manner in which it is regularly shipped.

When designing a fixture that is **different** from the standard specifications, all options required should appear in the ASL model number you create, per **ASL fixture logic**.

LED: STYLE / WATTAGE / KELVIN / SIZE / DRIVER / FINISH / LENS / ACCESSORY / TECHNOLOGY

FLUORESCENT: STYLE / LAMP / LAMP / WATTAGE / KELVIN / BALLAST / FINISH / LENS / ACCESSORY / SIZE / COMPLIANCE
QTY TYPE

You may choose as an option any technology, light source, wattage, lamp color temperature, finish, lens and accessory offered. In most fixture styles the ASL Team should be able to accommodate your specific fixture requirements.

Dimensions and specifications for all fixtures are based on the most current data and are subject to change.

ASL reserves the right at any time to make changes in the construction and or design of its products without notice.

These changes may be necessary due to new regulations or availability of raw material.

Detail sheets, describing full specifications and options are available @ www.asllighting.com.

Code	Description	Code	Description	Code	Description
A		FRG	Full Rear Gasket	PKA4	Pendant / Canopy Kit / 4 rods (specify length)
AH	Aluminum Housing	FUS	Fused	PS	Pin Switch
B		I		Q	
BBX	Back Box (conduit holes optional)	IB	Idividually Boxed	QR	Quartz Restrike
C		ICK	Inter-Connect Joiner Kit	R	
CCS	Cable / Cord Suspension	IPC	Internal Photocell	RG	Rear Gasket
CHK	Cable Hanging Kit	J		RMP	5 1/4" Round Mounting Plate
CLE	Closed Ends	JB	Joiner Band	RS	Rocker Switch/White
CO	Convenience Outlet Grounded	L		T	
CPK	Canopy / Pendant /Chain Kit (specify length)	LD	Lensed Door	TBC	T-Bar Twist on Clip
CPS	Cable / Pendant Suspension (specify length)	LS	Light Shade for IPC	TORX	Torx Switch
E		N		TOSW	Toggle Switch
EMG	Emergency Battery Backup	NL	Night Light	TP	Tamper-Proof Screws
EMGR	Emergency Remote	O		TS	Tamper-Proof Screwdriver
EPC	External Adjustable Photocell	OC	Occupancy Sensor	TWS	Three-Way Switching (pull chain)
ES	Energy Star	P		V	
F		PCH	Pull Chain	V	277 Volt
FBF	Front Baffle	PK1	Pendant / Canopy Kit 1 rod (specific length)	W	
FCU	Custom Finish	PK2	Pendant/Canopy Kit 2 rods (specific length)	WG	Wire Guard
FI	Finial	PK3	Pendant / Canopy Kit 3 rods (specific length)	Numeric	
				1/3B	1/3 Baffle
				2/3B	2/3 Baffle

FINISH OPTIONS:

FPA	Polished Aluminum
FPB	Polished Brass
FSB	Satin Brass
FSC	Satin Chrome
FB	Black
FBZ	Bronzestone
FW	White

ALUMINUM MATERIAL FIXTURES ONLY

CUSTOM FINISHES: *For That Special Look*
